From the Editor

Welcome TO INDIA

Dear reader,

I am super-excited to have shared with you all this February 2026 Special edition to be released at our flagship event i.e. India MICE Awards on 24th Feb 2026 at Pune. We are privileged to have Her Highness Maharani Sahiba Nivrutti Kumari Ji Mewar from the royal family of Udaipur Rajasthan. She will be presiding over the 12th annual India MICE Awards ceremony as our esteemed Chief Guest.

We are filled with newer hopes, newer aspirations and newer prospects for TravTour MICE's next edition of March 2026 as we shall release the same at ITB Berlin next month. It gives me a sheer pleasure to announce the next India MICE Awards to take place in June 2026 at New Delhi. Those who are interested to nominate their MICE venues and tourism businesses are welcomed to nominate at our brand new and user-friendly website : www.indiamiceawards.co.in. for latest updates we can be found at Facebook and Instagram as @INDIAMICEAWARDS2026.

This year's awards ceremony has shown tremendous surge in nominations from MICE tourism businesses worldwide. We have received nearly 12,2895 nominations across various award categories from Hotels, MICE venues, Tourism Boards, FOREX companies, DMC's and PCO's. However, only 15 most deserving awardees have made it to the grand finale. It is an invigorating factor for India MICE Awards 2026 that India Tourism Mumbai supported the show as 'Gold Sponsor' with great zeal. The event is going to unlock the MICE business potential for many tourism professionals through the pre-event networking sessions and power-packed panel discussion. Coverage of this event will be presented in next month's cover story.

Yashobhoomi has become the pride of our nation. The venue boasts of having hosted more than 42 international conventions and global exhibition in the recent years. The cover story of this edition has been presented in detailed format at page no. 6 and 7. An integral part of our regular editions, 'TravTour Associate Hotels', with more than 252 star hotels across the country describes the in-depth information on India's finest MICE Hotels & Resorts and it awaits you at page no. 11. February 2026 edition is showcasing one of the most beautiful pilgrimage destination in Katra, Jammu i.e. Shri Mata Vaishno Devi Shrine at page no. 41. More than 6,96,913 pilgrims have already visited the holy shrine this year till the last report came in. The interview section has been beautified with the thoughts of Naren who heads Lavender Hotels. The story can be read at page no. 42.

I would like to thank our advertisers, the entire hospitality and MICE industry of India who have been choosing to partnering with TravTour MICE as their preferred marketing platform. Together, we all shall shine once again more brightly.

Let's make India, Incredible again.

Happy reading !

YASHOBHOOMI

INDIA'S FINEST CONVENTION CENTRE

Ever since its inception, Yashobhoomi in Dwarka New Delhi has been attracting the world's biggest expos and international conventions. TravTour MICE spoke to Phil (Hyung Phil) Chung, CEO Yashobhoomi Operating Company (Kinexin Convention Management). Here is what Phil shared with a smile for our readers.

"Yashobhoomi is rapidly positioning itself as a globally preferred venue among international organizers. Today, it is emerging not only as a representative venue of South Asia but also as a leading venue in Asia. Together with KINTEX and Kinexin Convention Management – the operator of Yashobhoomi – we are steadily strengthening our leadership by expanding our global positioning and widening our market reach. This year alone, we have secured more than seven new trade shows from Middle Eastern countries including the UAE. Across multiple industries such as electric vehicles and public transportation, we are also bringing in numerous European exhibitions from Belgium, Germany, France, and Italy. In addition, we host a wide range of events from South Korea covering art, beauty, and technology sectors. Major corporate events from global companies in the Americas – including Amazon and McKinsey – are also being held here. By attracting trade shows, conventions, and corporate events from across the world, we are contributing to expanding India's overall exhibition industry demand. In other words, our strategy is not about competing internally and cannibalizing existing domestic events. Instead, we are creating entirely new demand by bringing global events into India."

Top 20 big and international Conventions at Yashobhoomi

OA Globe DMC Hosts High-Impact Delhi Roadshow & ALLDMC Portal Soft Launch, Reinforcing Delhi as Its Second Home

New Delhi, 9 February 2026: OA Globe DMC successfully hosted its Delhi DMC Roadshow & ALLDMC Portal Soft Launch on 9 February 2026 at The Grand New Delhi, bringing together leading international hospitality brands, destination partners, and India’s travel trade fraternity on one dynamic platform.

Held immediately after OTM Mumbai, the roadshow took place on the first Monday – the first working day for the travel trade post the exhibition. Despite this, the event witnessed an exceptional footfall, reflecting the strong relationship OA Globe DMC shares with the Delhi market. The overwhelming participation reinforced that the company is not just Mumbai-centric – Delhi truly stands as its second home, where agents have consistently extended unwavering support and partnership. The roadshow served as a focused B2B networking and product showcase forum, enabling travel professionals to engage directly with global partners while gaining first-hand destination insights and business opportunities. Participating destinations included Mauritius, Maldives, Sri Lanka, Russia, Philippines, Georgia, Azerbaijan, Saudi Arabia, Bhutan, and Nepal, reflecting OA Globe DMC’s expanding global footprint and commitment to strengthening outbound travel collaborations from India.

Renowned hospitality and tourism brands such as Four Seasons, Sunlife Mauritius, JW Marriott Maldives, RIU Hotels & Resorts, Kuda Villingili, Dusit Thani, Saudi Tourism Authority, and Villa Resorts were part of the showcase. Through structured meetings, destination briefings, and interactive discussions, partners highlighted emerging travel trends and the growing demand for experiential and premium travel. A key highlight of the event was the soft launch of the ALLDMC B2B portal for Delhi agents, offering them an early preview of the next-generation booking platform. The portal is designed to provide faster access to destinations, structured product information, and seamless communication – empowering agents with smarter technology and operational ease. The evening witnessed strong participation from travel agents, tour operators, and industry stakeholders, fostering meaningful conversations, strategic alliances, and promising new business prospects. The response further cemented Delhi’s position as one of India’s most influential outbound travel markets. Sharing his thoughts, Rahim Aslam, Founder of OA Globe DMC, highlighted that the Delhi showcase was strategically planned to build on the strong momentum generated at OTM, ensuring continued engagement with the travel trade without losing market energy. He emphasized the company’s focus on strengthening its global DMC network, expanding MICE capabilities, enhancing in-house transportation and guide services, and positioning each destination office as a one-stop solution for B2B partners.

Vishal Somaiya, Co-Founder of OA Globe DMC, spoke about the success of the roadshow and the power of global hospitality partnerships. He reiterated that OA Globe DMC’s strength lies in curated experiences, trusted destination expertise, and a robust worldwide network built for today’s evolving travel market. He also shared updates on the company’s expansion into South America and the CIS region, along with the appointment of regional leadership to drive growth across these markets.

Shri Mata Vaishno Devi Shrine

The Divine Calling

Visiting India in search of peace and spirituality is nothing new. What is novel and exciting is that never before has its rejuvenating spirituality been packaged with such an ease. Ascetics and seers in India renounce worldly pleasures and live in austere surroundings in the hills. In this context, Shri Mata Vaishno Devi Shrine, Jammu is the most sought after pilgrimage destination for devotees in India and abroad. The number of visitors of holy shrine of Mata Vaishno Devi is now exceeding 10 million. The pilgrimage to the Holy Shrine of Shri Mata Vaishno Devi Ji is considered to be one of the holiest pilgrimages of our times. Popular the world over as the Mother who fulfills whatever Her children wish for. Shri Mata Vaishno Devi Ji resides in a Holy Cave located in the folds of the three peaked mountain named Trikuta (pronounced as Trikoot). The Holy Cave of the Mother is situated at an altitude of 5200 ft in Trikuta mountains. Millions of pilgrims annually for this divine meet.

The Pilgrims have to undertake a trek of nearly 12 km from the base camp at Katra. At the culmination of their pilgrimage, these pilgrims are blessed with the Darshans of the Mother Goddess inside the Sanctum Sanctorum - the Holy Cave. These Darshans (visits) are in the shape of three natural rock formations called the Pindies. There are no statues or idols inside the Cave. Towards the right of the devotee is the Holy Pindi of Mata Maha Kali in the colour associated with Her i.e. black. In the centre is the Holy Pindi of Mata Vaishno Devi with a yellowish-red tinge, the colour associated with Mata Maha Lakshmi. The Pindi to the extreme left of the viewer is worshipped as the Holy Pindi of Mata Maha Saraswati. It has a whitish tinge when looked at attentively. The Holy Cave attracts millions of devotees every year. This is due to the unflinching faith of the devotees who throng the Shrine from all parts of India and abroad. It is also a matter of experience by almost all those who visit the Holy Shrine that upon the Call of Mata, a person needs to just take one step and leave the rest to Her and his journey gets completed with Her divine blessings. Simultaneously, it is also believed that unless there is a call no one can visit the Shrine or have Her blessings, howsoever high or mighty one may be. Holy Visits are open round the clock throughout the year. More than 6,96,913 pilgrims have already visited the holy shrine this year till the last report came in.

Naren Mohan Ramesh

Director - Lavender Hotels

Q. What is your target market in the years of expansion?

Our expansion strategy is built around scalable demand and risk-managed growth. Disciplined growth over rapid scale. In Phase 1, we're focusing on Bangalore and surrounding industrial and MICE-driven cities where we already see strong year-round corporate demand and faster ramp-up cycles. These markets allow us to stabilise properties quickly and demonstrate predictable business outcomes. In Phase 2, we plan to expand into South Indian metro cities, followed by key industrial hubs and high-growth spiritual destinations. These markets offer rising travel volumes, limited branded supply, and strong long-term fundamentals. Our approach is disciplined and data-driven—prioritising locations where our standardised quality model and technology-led operations can scale efficiently and deliver sustainable returns.

Q. What is your corporate outreach programme for the upcoming fiscal ?

For the upcoming fiscal, our corporate outreach is focused on deepening institutional relationships and driving repeat business. Our goal is to move from transactions to partnerships.

We're strengthening direct engagement with corporates, MICE organisers, travel managers, and industrial clusters through structured CRM-driven sales outreach, account-based partnerships, and GDS contracts to improve visibility among global corporate travel buyers. The objective is to build long-term partnerships—positioning Lavender Hotels as a preferred business and MICE hospitality partner across our markets.

In parallel, we're investing heavily in competitive corporate and event packages for banquets and ODC programmes at our premium-segment property, targeting conferences, training programmes, and offsite demand. This helps us increase wallet share from existing clients while improving non-room revenue contribution.

Q. Where do you see Lavender Hotels in the next five years ?

Over the next five years, we aim to be recognised for consistent quality, strong unit economics, and high repeat corporate demand—driven by our standardised quality framework and digital guest experience. The goal is to build strong brand recall as a reliable branded hospitality platform. Our focus is on building a well-distributed portfolio across metro cities, industrial hubs, and key MICE and spiritual destinations. But our objective isn't rapid expansion for scale's sake—it's consistent, sustainable growth driven by brand quality and operational discipline. We're very clear: we will not expand at the cost of brand dilution or compromised guest experience. Each new property is evaluated on its ability to meet our quality benchmarks and deliver predictable outcomes.

Ultimately, we want Lavender Hotels to be known for consistency, trust, and dependable returns—with a measured expansion strategy that balances growth with long-term brand value.

TravTour MICE proudly presents the excerpts from the conversation with Naren Mohan Ramesh

Q. Please elaborate your journey as a hotelier ?

My father started Lavender Premier—formerly Comfort INN Insys—in 2017 as a boutique hotel. Over the years, we learnt the trade hands-on, and two things became clear: there's growing demand for quality business hotels, and a significant supply deficit in the branded segment serving corporate travellers. That gap became our opportunity. What began as a single property has evolved into a focused hospitality platform built around consistency, technology, and the modern business traveller's needs. We're now building a brand across three segments—we already have hotels in the premium hotel segment and boutique business segment, but we also have luxury vacation experiences in scenic locations in the pipeline.

Q. What are the USP's of Lavender Hotels for which FIT's and Corporate travellers should prefer it over other hotels in city ?

What sets Lavender Hotels apart is that we've designed our rooms to feel premium—with consistent, standardised quality and all the facilities a modern traveller actually needs. Both FIT and corporate guests know exactly what to expect when they stay with us. We're strategically located in key MICE hubs with excellent connectivity to public transport, making us highly convenient for business travellers, event attendees, and short work trips. A major differentiator is our commitment to quality consistency. We've built a proprietary quality standards framework that ensures our staff delivers the same guest experience across all properties—covering every touchpoint to create memorable stays. We compete on consistency, not just amenities. On top of that, we're adopting modern hotel technology to stay competitive not just within our segment, but against established brands as well. Express check-ins under five minutes, a virtual concierge service giving guests instant access to property facilities, entertainment, and curated offers—all at their fingertips. Together, this makes Lavender Hotels a practical, reliable, and preferred choice for discerning travellers.
